**School Plan for Shared Student Achievement**

**What is it?** This is a plan that describes how Walker Park Elementary School will provide opportunities to improve parent engagement to support student learning. Walker Park Elementary values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Walker Park Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

**How is it developed?** Walker Park Elementary School welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online and by hard copy to ask parents for their suggestions on the plan and the use of funds for parent involvement. Parents can also give feedback during our Open House event, our Curriculum Night, and our Quarterly Title I Meetings throughout the upcoming school year.

**Who is it for?** All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Walker Park Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

**Where is it available?** At the beginning of the year, the plan is offered to all parents at our Open House event held prior to the first day of school. Parents can also retrieve a copy of the plan in the Parent Resource Center and in the front office.
